FUN LUNCH ORDERING

It is finally time for the CLE Hot Lunch / Fun Lunch Program. Ordering is available NOW. Visit www.clesharks.ca to sign up and place your October orders.

First order deadline is midnight October 7.

Please note for 2021: After being shut down for part of the 2019/2020 school year and all of the 2020/2021 school year, we are going to be starting things up a little differently. First, we will be starting out slow. October will be Thursday dates only, starting on October 14th followed by October 21st and 28th. We will only be serving foods prepared by outside vendors and will be starting out with just one vendor per hot lunch day.

*In fact, the very first day will just be **Jugo Juice smoothies!** This will allow us to test out our procedures with fewer volunteers and all our covid safety plans. We will be aiming to run a lean volunteer team each hot lunch date and will adjust as necessary.*

You might also notice that the prices are higher this year. All vendors have increased their prices during the pandemic, some substantially. We remain excited to bring fun lunch options to our students and to start to support our local businesses again but please reach out if you have concerns. The CLE Hot Lunch/Fun Lunch program is a fundraiser that helps to support many educational and technology needs for our CLE students so thank you for your participation and support.

We will be doing online ordering for all orders to ensure accuracy with the orders and to make the process as easy for everyone as possible. You might see a note about PayPal charges on your order total, these are just the processing fees that PayPal charges on each transaction, not additional fees that CLE PAC adds to your order. **Please pay for your order when you place it.** Any balances not paid by the last day for ordering will be cancelled.

PayPal:

At this time, we only accept hot lunch order payments through PayPal (www.paypal.com). **No cheque or cash payments will be accepted at any time.**

(We hope to transition to a simpler payment system in the near future but we didn't want to hold up the hot lunch program any longer with the setup! We will let you know once it goes live.)

You can either pay with a credit card as a PayPal guest (Visa, Mastercard or Amex), or set up your own PayPal account.

The hot lunch online order system requires a small amount of setup time at the beginning as you must register each child you have attending our school prior to ordering hot lunch. Once the initial setup process is complete, your hot lunch orders for the remainder of the year should be quick and simple.

****Please Note:** Should you experience any issues with your PayPal account, you must contact PayPal directly to solve the issue.
